Be Secure Knowing that Your Nursing Home is Compliant With Savings up to 50%

MERI has been providing cost-effective and dependable medical, infectious and hazardous waste solutions since 1985.

MERI is a fully licensed and insured medical waste transport, treatment and disposal company servicing Wisconsin, Iowa, Illinois and Minnesota.

Swift. Safe. Sustainable.

We help ensure your regulated waste stream follows all local, state and federal guidelines regarding proper transportation and destruction.

- Sustainable electronic manifest system for proof of destruction.
- Training tailored to your nursing home needs.

EPA Rules Are Changing and New Increased Enforcement Puts Nursing Homes at Greater Risk

In the past, pharmaceutical, medical, infectious and hazardous waste audits of nursing homes were rare, but new, increased enforcement of rules have put nursing homes that are not in compliance at greater risk of violation penalties (\$27,500 per violation/per day). Now is the time to ensure that your nursing home is in compliance to better protect your employees, the environment and your business.

MERI Can Help You Stay Compliant with EPA, OSHA, DOT and FDA Regulations at up to 1/2 the Cost That You're Paying Now!

Your Flexible, One Source Solution.

MERI offers a variety of sizes and types of waste containers to meet your specific nursing home requirements.

- Infectious waste (including sharps).
- Hazardous waste (items containing mercury, sanitizer, disinfectants and more).
- Trace chemotherapy waste.
- Pharmaceutical waste.
- Universal waste (fluorescent bulbs, batteries, and more).

No hidden fees! No monthly minimums!
