

MERI helps protect both employees and the environment by ensuring business & industry are in compliance with federal, state and local regulations regarding the safe removal of medical, infectious & hazardous waste - without hidden fees or monthly minimums - **saving customers 20-50% or more!**

Providing Offices and Industrial Companies The Service and Flexibility Needed To Stay Compliant and Save Money With Both Pick-up Service and/or Mailback Programs

MERI has been providing cost-effective and dependable medical, infectious and hazardous waste solutions since 1985.

MERI is a fully licensed and insured medical waste transport, treatment and disposal company servicing Wisconsin, Iowa, Illinois and Minnesota.

Swift. Safe. Sustainable.

MERI helps ensure your regulated waste stream follows all local, state and federal guidelines regarding proper transportation and destruction. We provide:

- Sustainable electronic manifest system for easy record keeping and proof of destruction.
- Lockable Sharps Guard boxes for used sharps and EPI pens.
- Hazardous and Infectious waste training.

MERI Can Help You Stay Compliant with EPA, OSHA, DOT and FDA Regulations, Save Money and Meet Sustainability Goals With Our Pick-up and/or Mailback Services!

Your Flexible, One Source Solution.

MERI offers a variety of waste container types and sizes to meet the needs of nursing stations, in-house clinics and field safety/medical incident kits.

- Infectious waste (including sharps).
- Hazardous waste (hand sanitizer, disinfectants and more).
- Pharmaceutical waste.
- Universal waste (fluorescent bulbs, batteries, and more).

If you have diabetic employees, we can help with proper RMW disposal!

No hidden fees! No monthly minimums! Pay only when you need us!

*Many businesses have multiple contracts and are paying additional fees that quickly inflate their disposal costs. To find out if you're paying too much, call **MERI** today at **608.257.7652** or visit **www.meriinc.com***
