

MERI helps protect both employees and the environment by ensuring veterinarian clinics are in compliance with federal, state and local regulations regarding the safe removal of medical, infectious & hazardous waste - without hidden fees or monthly minimums - saving customers 20-50% or more!

## Providing Veterinarian Clinics The Service and Flexibility Needed To Stay Compliant and Save Money With Both Pick-up Service and/or Mailback Programs

MERI has been providing cost-effective and dependable medical, infectious and hazardous waste solutions since 1985.

MERI is a fully licensed and insured medical waste transport, treatment and disposal company servicing Wisconsin, Iowa, Illinois and Minnesota.

### Swift. Safe. Sustainable.

We help ensure your regulated medical waste stream follows all local, state and federal guidelines regarding proper transportation and destruction.

- Sustainable electronic manifest system for easy record keeping and proof of destruction.
- Infectious and Hazardous waste training.

**MERI Can Help You Stay Compliant with EPA, OSHA, DOT and FDA Regulations, Save Money and Meet Sustainability Goals With Our Pick-up and/or Mailback Services!**

### Your Flexible, One Source Solution.

Schedule **MERI** regularly, or just call when you need us. **MERI** offers a variety of waste container types and sizes – with both pick up and/or mailback services to meet your vet clinic requirements.

- Infectious waste (including sharps).
- Hazardous waste (lead vests, items containing mercury, sanitizer, disinfectants and more).
- Trace chemotherapy waste.
- Pharmaceutical waste.

**No hidden fees! No monthly minimums! Pay only when you need us!**

Many veterinarians have multiple contracts and are paying additional fees that quickly inflate their disposal costs. To find out if you're paying too much, call **MERI** today at **608.257.7652** or visit **www.meriinc.com**

1310 West Badger Road • Madison, WI 53713 • (608) 257-7652

Customers include Governments, Municipal Agencies, Universities, Hospitals, Medical Clinics, Assisted Living, Nursing Homes and others:
